

ANGUS Measurement Services, LP
Leaders in Flow Measurement

Environmental Protective Shield

Features

- Patent Pending robust design - 16 gauge powder-coated steel, SS bolts & nuts
- Engineered for oilfield installation
- Designed to fit most manufacturers' Flow Meters (FM)/Temp (TT) & Pressure Transmitters (PT)/Water Cut (WC)

Benefits

- Protect instrument displays from the elements
- Extends the lifespan of the screen
- More cost-effective than replacing a damaged screen
- External to device, so no impact to the operational integrity of the instrument
- Maintain instrument reliability and operational longevity
